

News Releases Policy

- 1.0 **Purpose:** The Barbour County Board of Education supports the notion that a consistent, positive, objective and truthful message containing pertinent school related information is provided to the public in an expedient fashion.
- 2.0 **Scope:** All publicity, news releases, flyers, etc, including all electronic releases, shall be submitted to the Superintendent for review and approval before release/distribution. This includes that publicity emanating from within the school system, as well as outside the school system.
