

SOLICITATION BY AGENTS POLICY

1.0 PURPOSE: The Barbour County Board of Education holds firm to the belief that schools should be placed where uninterrupted instruction and learning occurs during the instructional day. To this end, outside agencies may solicit only with strict adherence to this policy.

2.0 SCOPE:

- 2.1 The Superintendent may grant permission at his/her discretion to agents desiring to solicit staff members on school board property;
- 2.2 Such permission shall only be granted such that instruction shall not be interrupted during the instructional day. Use of teacher prep time and duty free lunch may be considered when determining whether permission should be granted;
- 2.3 All agents, before making such calls, shall be required first to have written authorization from the Superintendent's office.
