

## Displays on School Property Policy

**1.0 Purpose:** The Barbour County Board of Education supports the notion that each school should project a wholesome, positive and proactive image of educational information, practices, and accomplishments.

### 2.0 Scope

- 2.1 The appropriateness of displaying on school property pictures, trophies, signage, and all other similar items shall be determined by the school principal.
- 2.2 No person, including employees, shall attach or otherwise display items without first securing the principal's approval.
- 2.3 If the principal determines that the item is appropriate for display on school property, the principal shall give approval for the display to occur.
- 2.4 Principal approval shall include where the display shall be placed, and for how long the item shall be displayed.
- 2.5 No item shall be displayed that would come into conflict with any federal, state, county or BOE law, rule, regulation, policy or procedure.
