

The West Virginia Achieves Report Card is a legislatively mandated publication of a school's progress. The sections in this Report Card are School Accountability, Statewide Testing, Teacher Information (including quality), other school indicators and definitions. Under "Accountability" the checkmarks "√" represent a passing status regarding Adequate Yearly Progress (AYP). The "X" represents needs improvement for standards indicated. A blank space indicates the school is not required to meet AYP because the number of students reporting is less than 50. Elementary and Middle schools are required to use Attendance Rate (greater than 95 percent for AYP) and high schools are required to use Graduation Rate (greater than 80 Percent).
