SJHS is Designated as an "A" School!

Out of 668 public schools in WV, Sherman Jr. High School was one of only forty five schools that was designated as an "A" school for the 2015-16 school year by the WV Department of Education. Mr. Huffman, Boone County Schools Superintendent, and the Boone County Board of Education Members formally recognized the staff of Sherman Jr. High School at the December 5th board meeting by presenting the school with a plaque. The hard work of all of the students and staff members is greatly appreciated; as is the continued support received from parents and community members! ROLL TIDE!!!
