STUDENT SHOWCASE NIGHT

Sherman Jr. High School's 2nd Annual Student Showcase Night was held on October 27th and we had over seventy parents in attendance! In addition, many students were on hand to showcase some of the things that they have been doing at school for the first nine weeks! For instance, the students pictured above are acting out a skit from a Shakespeare-themed reading lab! Thank you to all of the students that participated and to the parents that attended!
