

# The Monthly Wave

October 2015

*Students at Sherman Jr. High School working on their robotics projects!*

## **STUDENT SHOWCASE NIGHT**

The first-ever "SJHS Student Showcase Night" will take place on Tuesday, October 27<sup>th</sup> from 5:30 – 8:00 in the SJHS gym. This event is open to all parents and students. Any students that have parents or guardians attending will receive an anchor remover.

The first part of this event will involve the students of SJHS showcasing some of the awesome things that they have learned during the first nine weeks. It will truly be hosted by students and the entire showcase will be about the students showcasing their work!

We are anticipating the showcase lasting until around 6:45. Then, the next portion of the event will be in the form of a traditional parent/teacher conference night. Parents will be free to walk around the school and meet their son or daughter's teachers to discuss academic progress.

Please come out and join us on the 27<sup>th</sup>!
